

Sonotronics *'is working with you to make a difference in the world we share...'* **NOW** and in the **FUTURE**.

Here are a few ways in which we have become environmentally conscious:

- You may notice a lot of our packaging material is used, to save boxes and trash
- Sonotronics has gone SOLAR... we harness the Sun and use it for utilities
- We use and reuse glass straws to help rid Plastics in the waters

We now offer a "Track Don't Trash" Program.
Please mark the equipment you use in the waterways. This will help to keep our environment clean now and in the future.

4th of July

Sonotronics will be closed on July 3, 2020 in observation of July 4th, U.S. Independence Day.

We will resume normal business hours on July 6, 2020.
